## Vehicle Use on Hard Surface

In the interest of safety for the pupils, the parking of automobiles on the school playgrounds is prohibited except in cases where specific parking areas are provided.

Driving into school yards with a truck or other vehicles is prohibited, except where driveways are provided for the purpose of delivery or in the case where repairs have to be made on grounds, building or school equipment.

Playgrounds, tennis courts and tracks are to be used for their intended purposes. Driving or racing on these areas is strictly prohibited.

Parking areas are to be used for parking purposes only.

Any other use will be permitted only with an approved facilities use request permit. (See Administrative Regulation 1331.)
