

Current Youth Volunteer Opportunities

Youth Volunteer Opportunity Details:

- The YVC program works with students between the ages of 11-18 only.
- We will be practicing social distancing, and masks will be required for indoor events (when outside, and 6ft apart I allow students to choose if they want to wear it or not).
- Students must have a parent waiver filled out to participate. The waiver can be emailed back, or students can bring their waiver on the first day they come to volunteer. If they already filled one out, they don't need to again. The waiver is attached to this email.
- Students must make sure they have transportation for each volunteer opportunity at the specified times. Youth Volunteers cannot be left alone to wait for a ride, per program policy. Picking up a youth volunteer late habitually, can result in the youth volunteer not being able to volunteer with YVC.
- To sign up for a volunteer opportunity, the students should use the Sign-Up-Genius link provided. Space is limited so they must sign up to attend.
- Additional details for each youth volunteer opportunity will be sent out to those attending prior to each event.**
- Students should dress for the weather (hat, sunscreen, jacket, etc.) and bring their own water and mask.

Current Youth Volunteer Opportunities:

Puzzles: There are puzzles from Toys for Tots that need to be taken home and put together. Youth volunteers can pick them up from the Volunteer Center of Racine. **Only one puzzle per youth volunteer at a time.** At pick up, please sign the puzzle out. If the puzzle has all its pieces, it needs to be returned to the Volunteer Center. When returned, please sign the puzzle in with your volunteer hours and date returned, so you can receive service hours. If you put the puzzle together, and pieces are missing, please just throw it away. Then, send an email to teamleader@volunteerracine.org with how many hours you worked on the puzzle. **Puzzles are due back two weeks from signing out.**
