International students are traveling to your community from this summer!

If you are interested in having an international experience without leaving your home and promoting the growth of international understanding and worldwide friendships, hosting a student from France this summer is the perfect opportunity for you and your family! Students stay for 3-4 weeks, dates vary.

About Compass USA

Compass USA started promoting programs that build intercultural understanding in 2000. Our homestay program helps foster strong leadership skills and English language acquisition. Our staff works as a team to provide quality programs throughout the country. Compass USA homestay and cultural experiences surpass typical vacations or tours. Participants learn to look beyond language, color and customs to discover the true character of others: a process that Compass USA believes will bring people of the world closer together one student at a time.
