

Part 2 - Updated Information

April 30, 2024

Dear Advanced Placement Students:

This letter serves to provide additional information about advanced placement tests. [Click here](#) to view a copy of the original letter with more detailed information, including materials that students need to bring.

Testing Locations

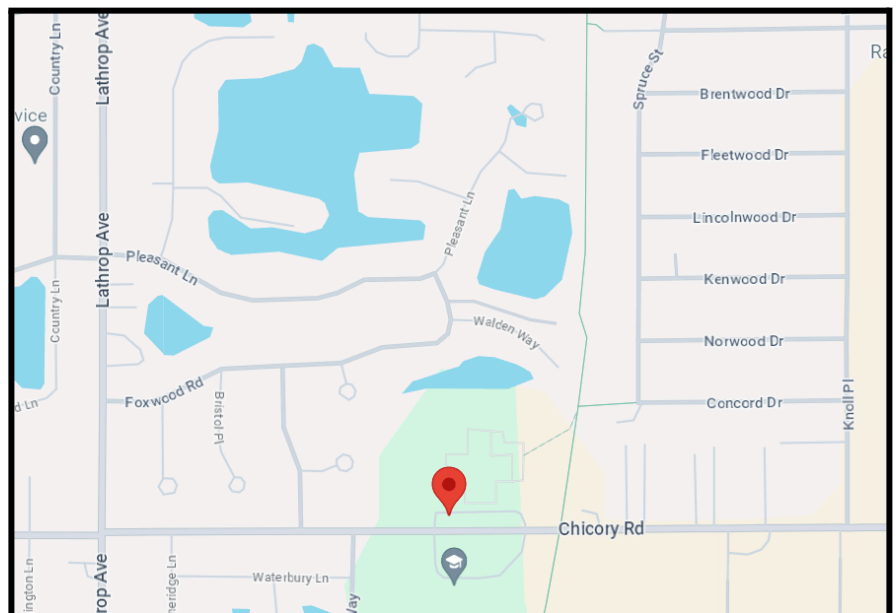

As a reminder: Advanced Placement Exams will be held at Dr. Beatrice O. Jones Elementary School.

On test day, students should plan on arriving at 7:30am for an 8:00am exam start and 11:30am for a 12:00pm exam start. Students who are late will not be admitted into the exam room.

Dr. Jones Elementary School
3300 Chicory Road
Racine, WI 53403

Students are asked to park in the front or rear of the building and enter through *Door 4/ back entrance*. Students will be directed to their appropriate designated room.

Navigation Note: It is important to enter the address into your phone’s navigation system, rather than the name of the school. Since the school has been closed, inputting the name of the school may produce inaccurate navigation results.

Students are encouraged to complete a “test-run” before exam day to ensure that the student will arrive at their scheduled exam time.

Additional Information

- Students are encouraged to bring a filled water bottle to use before, after, or during breaks.
