High School Online Learning Course Offerings

High school students, including incoming 9th graders, who wish to take an online virtual learning course for original credit during the summer months should meet with their school counselors and/or the school's online mentor teacher during May. Students will be allowed to take ONE virtual course during the summer session. Students must be enrolled in their virtual course by May 31st. View course descriptions [here](#) or on the RUSD Virtual Learning Website. Questions may be sent to virtual.learning@rusd.org or call (262) 664-8734 for assistance.

*Regular attendance is key to being a successful student.
However, students who complete their courses early are excused from the rest of summer school.*
