

Facility Utilization

General Management of Long-Range Building Construction and Utilization Programs

The Superintendent of Schools shall continuously maintain a long-range facility utilization and need plan. This plan shall be available for Board review and consideration. The Board shall review on an annual basis the long-range building construction, modernization and utilization plans.

The Board shall also make a periodic review of property not used for educational purposes, or for limited educational purposes, and a determination shall be made for potential future use.

The Board shall review reports and recommendations relative to properties as it deems appropriate.
