HOW IT WORKS

The Parkside Access to College Credit (PACC) program is your opportunity to take college courses as a high school student. We partner with qualified RUSD teachers so you earn college and high school credit at the same time, during your regular school day, at your own school. We help you choose the right courses so you can transfer them to the college or university you choose and so they count towards the degree you plan to pursue.

EARN COLLEGE CREDITS WITH PURPOSE at your high school, taught by high school teachers, during the regular school day
