

LEGAL JOINT CUSTODY TRANSPORTATION

Qualifications for Dual Custody Transportation:

- One parent must live within the attendance boundary of the attending school.
- Address must be 2.00 miles or more.
- Parents must have **Legal Joint Custody**.

What does Legal Joint Custody or Dual Joint Custody mean? "Legal Joint Custody" means the condition under which both parties share legal custody and neither party's legal custody rights are superior, except with respect to specified decisions as set forth by the court or the parties in the **Final Judgment** or order.

If you are a parent or guardian having **Legal Joint Custody** of a student, please fill out the form on the reverse side and include a copy of the Final Judgment. The Transportation Department will only honor those applications that meet the above requirements. Once your form has been submitted via email to the Transportation Department and accepted, we will require that a new form is filled out anytime there is a change of address, school and/or etc.

If you are filling out an application, the Transportation Department plans a bus stop for both eligible parents in the AM and PM, but many times some of the stops are not being utilized. If you know that you will not be using any of the stops, please notify us via email so that we can update your records accordingly. In the future, if you decide that you would need to use one of the stops that weren't assigned; please send an e-mail to Transportation.Department@rusd.org and we will update your records accordingly. By eliminating stops that are not being used, we can reduce ride times for students.

Regards,

Transportation Department
