

I'm a Close Contact with no COVID Symptoms

I'm fully vaccinated

No quarantine required.
It is recommended that you test 5 days after last exposure.

I'm not fully vaccinated

You may return on Day 6.
It is recommended that you test 5 days after last exposure.

When returning to work/school:

- Continue to wear a face mask
- Practice physical distancing and other mitigation strategies
- Continue to self-monitor through Day 10
