Teaching/Training Courses

Teaching/Training Scope and Sequence, Grades 9-12

Child’s World (AS)
½ Credit, Gr. 10, 11, 12
Course # 3621

Child’s World (AS)
Prerequisite: None. The study of children from birth to age 5. The focus of this class is to understand child development and learn the skills needed to become a good parent. The students operate a preschool for children ages 3-5. Careers working with children are explored. Students may earn 2 elective Gateway Technical College credits in the Early Childhood Education program by earning a B grade or better in Child’s World and Assistant Child Care Teacher.

Assistant Childcare Teacher (AS)
½ Credit, Gr. 11, 12
Course # 3622

Assistant Childcare Teacher (AS)
Prerequisite: Child’s World, 11th or 12th Grade. Students study the characteristics of quality childcare and develop activities for use in preschool settings. Time is spent observing in childcare centers. Successful completion results in a Wisconsin Assistant Child Care Teacher (ACCT) certification to work as an assistant teacher for pay in a licensed daycare. Time is spent in a childcare center but this is not a Co-op program and students are not paid for this training. After meeting the requirements for the ACCT certification, students may enroll in the State Certified Skills (FACS) Co-op program in Child Care Services. Wisconsin’s Skill Standards for Child Services certifies students as a child care teacher. Students may earn 2 elective Gateway Technical College credits in the Early Childhood Education program by earning a B grade or better in both Child’s World and Assistant Childcare Teacher.

World of Work – Family and Consumer Science
1 Credit, Gr. 12
Course# 3676

World of Work – Family and Consumer Science
Prerequisite: Department Approval. Grade 12 only with concurrent enrollment in #3677. An application must be filled out and approved before scheduling. This classroom course teaches the student employability skills for jobs related to Family and Consumer Science. This course is taken at the same time students are in the Family and Consumer Science Co-op program. Topics studied include job applications, resumes, interviews, income taxes, equity and work relationships. Fee is required for Family, Career, and Community Leaders of America (FCCLA) membership. Skill Certificate in Leadership Skills, Food Service, and Child Care can be achieved.

Family and Consumer Science Co-op
2 Credits, Gr. 12
Course# 3677

Family and Consumer Science Co-op
Prerequisite: Department Approval. Grade 12 only with concurrent enrollment in#3676. An application must be filled out and approved before scheduling. This course is a partnership between the school and local businesses. It introduces 12th graders to employment opportunities and offers on-the-job experience in a family service-related occupation. Students must have successfully completed one or more courses in the department for admission. Students are required to join the Family, Career, and Community Leaders of America (FCCLA) leadership organization (fee required).
