# The Gateway Experience

Any high school juniors, seniors, or first-year adult students planning to register with Disability Services are welcome. The Gateway Experience will provide prospective students with information on the range of services offered at Gateway Technical College.

## Information Sessions

### Disability Support Services/TRIO

Gateway provides a full range of support services/reasonable accommodations at the request of learners with documented disabilities to give them equal access to learning opportunities at Gateway in order to reach their educational goals.

### Multicultural/Non-Traditional Occupations

Gateway's Multicultural Program encourages the success of students of color by offering comprehensive services which promote academic achievement, career building, cross cultural engagement, and leadership development. The Non-Traditional Occupations program was established to help students recognize all career opportunities, unrestricted by social or cultural expectations.

### Financial Aid

College financial aid comes in many forms such as grants, loans and work-study. Our goal is to assist students in securing the resources necessary to fund their education, and make sure they understand their rights and responsibilities related to financial aid.

### Student Support Counselors

Gateway Technical College Student Support Counselors can provide that extra support needed to help you overcome challenges as you pursue your educational goals.
