

April 30, 2024

The Academies of Racine would like to invite your organization to participate in our first, annual **Impact Your Community Expo!**

This year we will be piloting the Expo at Mitchell Middle School where over 263 8th graders will learn how they can help impact their community.

With your help, Students will be educated on real-world issues facing their community and how they can help impact real change. This will inspire them to develop an implement a community capstone project.

What to Expect

- Each participant should share a 3-5 minute video about their organization before the expo.
- Setup will be the day of starting at 8:00 am.
- The Expo will be from 9:00 am -12:00 pm and lunch will be provided to all volunteers and participants.
- Create 6 rounds of 20 minute workshops that will expose students to challenges in the community and how your non-profit works to help. (Students will be attending 3 each and participating in a large group 1 hour activity as well)
- Please include success stories and the impact your organization has on families and the community.
