Dear Parent/Guardian,

I would like to give you some information regarding the results from your child's Spring 2018 Forward Test. This past November, during Parent/Teacher Conferences, your student's results were available for your review with his/her teacher or teachers. Once conferences were completed, elementary students' results were sent home. Any results for students grades six through eight that were not picked up at conferences have been sent home with your child. Included in this envelop is an explanation document that refers to your child's Forward Test Results. If you would like to request a meeting to discuss your child's scores, please contact our office at 262-664-6075 and we will be happy to arrange this for you.

I would also like to invite you to our Title I School Policy Update meeting on Monday, December 17, 2018 at 6:30 p.m. in the middle school library. Here you can learn about our school's Title I program, how families and parents can be involved, about our school programs, and a host of other important school related issues. We hope to see you there.

Sincerely,

Thomas Tuttle  
Principal
