

# Raising Racine: Three Years of Progress

## We fulfilled the following 3-Year Commitments:

-  Refreshed North Star vision
-  Full-day 4K expansion
-  Reduced class size
-  Provided rich professional development & coaching for teachers
-  Transformed high schools
-  Added support of at-risk students
-  Aligned budgets to priorities
-  Strengthened community and parent engagement
-  Developed new school and District websites and communication strategies

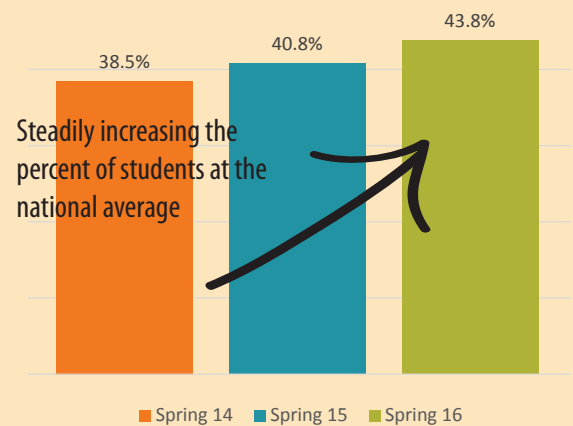

### UNDERWAY FOR 2016-17:

- Standards-based grading and report cards (K-12)
- High quality Gifted & Talented program serving students at all schools
- Dual language program evaluation will determine future direction
- Develop strong middle school choice options for families
