

**Fine & Fee Schedule
2020-21**

Important Updates for 20-21: As we begin our year using remote learning, most fees are 'On Hold'. If you see 'On-Hold' listed next to a fee, this means that there are currently no payments required at this time. Fines and Fees will be reevaluated as circumstances change, which means that some or all fees may be pro-rated later this year. If you have questions or concerns regarding fines and fees please call 262-631-7082. Fees for event admission will be reinstated when audiences and spectators are permitted.
