[Girl Scout Troop Forming for K/1 Students](#)

From Mrs. Anderson, Wadewitz Parent: We are searching for another adult volunteer to help lead troop meetings. More volunteers as well for special events and outings. Meetings ideally will be held directly after school on a weeknight once or twice a month. We are looking for families with kindergarten or 1st grade girls to join our troop. Our first year will be spent learning about what it is to be a girl scout. There is a small volunteer registration fee for a background check of every volunteer. Se habla español 262 880 7690. Call or Text.

[Be the "I" in Kind Campaign](#)

Families, each day on announcements we are highlighting at least two students that put the "I" in Kind. This initiative is geared toward having students and staff identify the positive contributions our students are having to sustaining a 'welcoming' school culture. Recently, our RUSD communications team assembled a short YouTube video showcasing this initiative. Check it out [here!](#)

[Student Arrival / Dismissal](#)

Parents, we have had an increasing number of student check outs, specifically between 3:00-3:25pm. Seemingly, these appear to be an effort to avoid traffic / parking hurdles caused by the layout of our campus. We ask that early check outs are reserved only for appointments when students need to leave early. Every instructional opportunity is important and the high volume of checkouts is something we will continue to monitor on a student by student level.

Also, our turnaround loop located on the East end of our campus should be reserved for only those families of students with wheelchairs. This space is essential to getting these students and families loaded up safely before departing for the day. Your adherence to this policy is appreciated!
