

YouTube Content Creators

7/24-7/28 | 9 am-12 pm

Explore the variety of content and personalities that exist on YouTube and how to find your own niche. Learn the Dos and Don'ts of the platform and how to practice good digital citizenship. Develop your on-camera presence, your own channel branding, and professional editing skills. Take home a plan for launching your own channel with the content created in class!

YouTube FX Masters

7/31-8/4 | 9 am-12 pm

Do you love movies with exciting special effects, like *The Avengers*, *Star Wars*, or *Harry Potter*? Amaze your friends by swinging a lightsaber or blasting fire from your hands and becoming a master of the illusions used by Hollywood artists to create visual effects magic. Whether you want to enhance your YouTube videos or create a cool scene to amaze your friends; this class teaches the tools you need. Experiment with visual effects as you learn the dynamics of camera angles, editing, graphic layering, and sound effects.

Model United Nations

7/31-8/4 | 1 pm-4 pm

Become one of the 400,000 students around the world in Model United Nations! Throughout the week students will research a world problem, develop solutions, and negotiate consensus with their peers. This program teaches teens and tweens core skills such as research, writing, public speaking, problem solving, and conflict resolution. No prior experience is needed.

This is not a school-sponsored activity and the Racine Unified School District does not approve, support, or endorse this program/activity.

PRE-COLLEGE CAMPS

uwp.edu/youth

Environmental Explorers

4/11-4/13 | 9 am-12 pm
6/19-6/23 | 9 am-3:30 pm
7/31-8/4 | 9 am-12 pm
7/31-8/4 | 1 pm-4 pm

CHOOSE
FROM
4 SESSIONS

With a mix of in and out of laboratory experiences, we encourage middle schoolers who have a passion to be outside to investigate their surroundings. With activities based on geology, ecology, microscope use, dissection, and soil studies, the environment will be a new frontier for your child's investigation.

Minecraft Designers

7/17-7/21 | 9 am-12 pm

Learn how to create a custom map, design structures to share between worlds, build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. Students must own a Java version of Minecraft to take this class. Tablet, phone, and game console versions of Minecraft are not compatible.

Esports Apprentice – Streamers and Gamers

7/17-7/21 | 1 pm-4 pm

Whether you want to be the next pro gamer, streamer, or gamecaster this course will teach you the basics to get started! In this course, students will develop game-play skills and compete using Black Rocket's Esports games and apps, learn how to produce commentary for live tournaments, use professional streaming software, and most importantly practice online safety. Student recordings will be available on a password protected website to share with friends and family. Videos will not be broadcast publicly but will be shared with all students in the class.

Beats and Jams: Digital Music Creators

7/24-7/28 | 1 pm-4 pm

Begin your rise to the top of the charts with digital music production! Just like today's top artists, you can design your own beats or remix a mashup of your favorite songs to become a digital composer and sound engineer. In this course, students will learn to produce digital music, record sound, make sound effects, and mix their own tracks. No prior music experience is necessary. Student-created soundtracks will be available on a password protected website to share with friends and family.

You can now apply for **scholarships** online! Visit uwp.edu/youth to check out our programs and learn more today!
