2020-2021 Southeast Conference Fall Sports Guidelines

Health Screening and Monitoring
● Conference schools will continue to follow district and local health department requirements for daily pre-activity screening. All schools will follow screening questions that reflect the established CDC verified symptoms of COVID-19.

Attendance and Athletic/Activities Code of Conducts
● All schools will follow district policies relating to attendance eligibility and athletics/activities Code of Conduct

Sport by Sport Guidelines
● The SEC Conference will adhere to the WIAA Return to Fall Sports Considerations for all team activities and competitions.

Face Covering/Masks
● The SEC Conference will adhere to the WIAA Return to Fall Sports Considerations and existing state or local face covering mandates at all times.

COVID Positive Test by Athlete or Coach
● Close contacts, as defined by the CDC, will self-quarantine immediately for a minimum of 14 days.
● COVID positive tests by student-athlete will require medical clearance form after full recovery to return to participation.
● Thresholds for short-term closure of practices or team activities will be determined by the local health department officials.

Fan/Spectator Policy
● The season will begin with the expectation that no fans or non-essential personnel will be permitted to attend indoor or outdoor competitions at any conference site. City health officials and district administration will evaluate data and make recommendations as the season progresses.
● Schools/teams will travel with only essential personnel and players
● Video/audio streams and/or social media updates will be provided if possible.

Schedules
● Schedules have been developed with consideration of efficiency, health, and safety of the following stakeholders - transportation, event workers, officials/umpires, facility custodians and can be found here.
